**Code of Conduct Endorsement**

I am aware that C4L is a Christian centre, and agree to conduct myself in a manner that is compatible with its ethos.

I agree not to smoke in any of the rooms or buildings.

Please note that C4L offers very affordable prices to groups like yours because of support that it receives from church funding channels. So it is incumbent on the management to assure stakeholders that C4L operations are in keeping with the core values and convictions shared by C4L and its constituency.
